Teaching Philosophy

I offer weekly 60-minute beginner group guitar lessons for acoustic and classical guitars in a relaxed, supportive setting. We focus on healthy technique, rhythm, note reading, and ensemble skills designed to build a strong musical foundation.

Expectations

From me: Engaging lessons and helpful resources to support progress.

From students: A positive attitude, and willingness to participate while being respectful of others.

- Group lessons are held weekly unless otherwise noted in advance.
- Tuition is **120 € per month**, due at the start of each month.
